My name: MYRA AND IAN CARUS

My address: 12A MARINE TERRACE

I wish to suggest a site that should not be built on as being all that area which separates Fortrose and Rosemarkie as outlined and cross-hatched in the plan below.

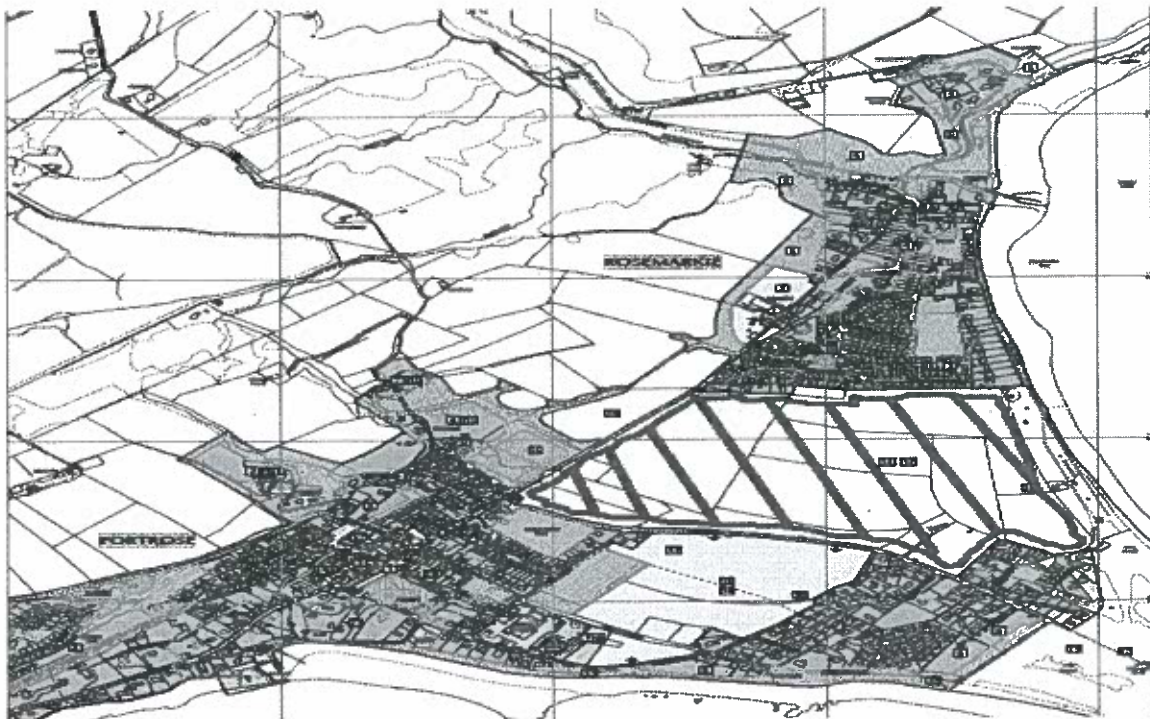

The reason for this is that I do not want to see the villages of Fortrose and Rosemarkie lose their individual identity. Any other objections are listed overleaf.

Rosemarkie and Fortrose are villages with their own identities in terms of culture and heritage and it would be a travesty if the villages were joined together with a housing scheme.

It is important that the Black Isle retains its agricultural inheritance and its top-quality soil is used for local food production.

The Black Isle's infrastructure is totally unsuited to further development and we cannot understand the need for the development plan to be constantly updated.

A period of contemplation on future developments would be appropriate and a moratorium put in place to give time to reflect on what the future of the Black Isle should be.
