I wish to suggest a site that should not be built on as being all that area which separates Fortrose and Rosemarkie as outlined and cross-hatched in the plan below.

The reason for this is that I do not want to see the villages of Fortrose and Rosemarkie lose their individual identity. Any other objections are listed overleaf.

We have recently become residents of Rosemarkie and chose this village for its intact community. We do not wish to see it turn into a sprawling suburb of Fortrose. It would spoil the character of the village, which appeals to residents and many holiday makers, to have the two villages (Rosemarkie + Fortrose) joined by a wide band of new builds.
