I wish to suggest a site that should not be built on as being all that area which separates Fortrose and Rosemarkie as outlined and cross-hatched in the plan below.

The reason for this is that I do not want to see the villages of Fortrose and Rosemarkie lose their individual identity. Any other objections are listed overleaf.

1 disagree with more houses being built on an area of prime fertile horticultural land.

1 disagree with more houses being built in a village which is already stretched to provide residents with adequate schooling, medical services & road systems.
