Good Morning Tim

Please find site plan of the relevant land at the club.

At this stage we are only trying to ensure that the land is logged as potential for development, rather than amenity land. We will be looking over the coming months at talking to potential developers etc.

Do you require anything further?

David

Hi David,

Please find attached image. Let me know if it needs adjusted at all or if you need anything further at this stage.

Regards,

Duncan
