## **Letter of Support**

To whom it may concern,

I am writing to you in my capacity as MSP for Caithness, Sutherland & Ross.

I would like to express my full support for the Elphin, Ledmore, Knockan Community Association Limited (ELKCAL) in their venture of purchasing Elphin Community Hall through a Community Asset Transfer.

The community association provides an invaluable service within my constituency. Currently they offer a weekly craft circle and toddler group as well as seasonal food and craft markets. ELKCAL not only provide a space for the community to gather but are also an important cultural and educational asset to the area, from hosting music/dance nights to educating folk on the Assynt cave system.

ELKCAL already provides a space for the community to gather with a wide range of activities on offer but aspire to do much more if they were given the opportunity to purchase the hall.

I would be very grateful if you could consider this letter of support in advance of the hall purchase application made by ELKCAL.

Best wishes,

Maree Todd MSP
