

Abbreviations

ABS – Annual Bill Savings

ABS – Area Based Scheme

ASHP – Air Source Heat Pump

BACL – Boiler Assessment Checklist

BEIS – Department of Business, Energy and Industrial Strategy

BFR – Building Fabric Repair

BUS = Boiler Upgrade Scheme

CHP – Combined Heat and Power

CoL – Certificate of Lodgement

CTC – Child Tax Credit

CWI – Cavity Wall Insulation

DA – Devolved Administration

DHC – District Heating Connection

DHS – District Heating System

DLMs – Data Light Measures

DOCC – Declaration of Conformity and Completed Installation

DOCI – Date Of Completed Installation

DWP – Department of Work and Pensions

EACT – Environmental Advice and Consultancy Team

ECO – Energy Company Obligation Scheme

ECO4 Flex – Flexible Eligibility for ECO4

ECS – Eligibility Checking Service

EER – ECO Eligible Referral

EES – Energy Efficient Scotland

EESHS – Energy Efficiency Standard for School Housing

EHS – Electric Heating Systems

EIR – Environmental Impact Rating

EOI – Expression of Interest

EPC – Energy Performance Certificate

EPR – Energy Performance Report

ERH – Electric Room Heater

ESA – Income related Employment and Support Allowance

ESH – Electric Storage Heaters

ESNZ – Department of Energy Security and Net Zero

EST – Energy Saving Trust

EWI – External Wall Insulation

FLEX – Flexibility Eligibility

FPS – Full Project Score

FTCH – First Time Central Heating

GBIS – Great British Insulation Scheme

GBIS flex - Great British Insulation Scheme Flex – flexible eligibility

GDPR – UK General Data Protection Regulations

GE – General Eligibility group

GRH – Gas Room Heater

GSHP – Ground Source Heat Pump

HES – Home Energy Scotland

HHCRO – Home Heating Cost Reduction Obligations

HHR – High Heat Retention

HMO = Houses in Multiple Occupation

HMRC – HM Revenue and Customs

HTHG – Help To Heat Group

HUG – Home Upgrade Grant

HWI – Hybrid Wall Insulation

IAA – Installation Assurance Authority

IM – Insulation Measures

IMs – Innovation Measures

IOE – PAS Improvement Option Evaluation

IS – Income Support

IWI – Internal Wall Insulation

JSA – Income based Jobseekers Allowance

kWp – Kilowatts Peak

LA – Local Authority

LAD – Local Authority Delivery

LCITP – LOW Carbon Infrastructure Transition Programme

LDEC – Loft Insulation Declaration

LHA – Local Housing Association

LHEES – Local Authorities on the development of Local Heat & Energy Efficient Strategies

LI – Loft Insulation

LIG – Low-Income Group

LOFT – Loft Insulation

LPG – Liquefied Petroleum Gas

LSOA – Lower-layer Super Output Area

mCHO – Micro Combined Heat and Power

MCS – Microgeneration Certifications Scheme

MEES -Minimum Level of Energy Efficiency Standard

MIR – Minimum Insulation Requirement

MOD – Ministry of Defense

MR – Minimum Requirement

MTN – Minded-To Notice

NICE – National Institute for Health and Care Excellence

NMAP – New Measures and Products

Non-PPM – Non Pre-Payment meter households

OI factor – Orientation and Inclination Factor

ONS – Office for National Statistics

OO – Owner Occupied

PAS – Publicly Available Specification

PAS IOE - Publicly Available Specification Improvement Option Evaluation

PCDB – Product Characteristics Database

PCGC – Pension Credit Guarantee Credit

PCSC – Pension Credit Savings Credit

PCWI – Party Cavity Wall Insulation

PHI – Park Home Insulation

PIBI – Pre-Installation Building Inspection

PCI – Post Installation Customer and Installer Declaration Form

POPT – Percentage of Property Treated

PPM – Pre-Payment meter

PPS – Partial Project Score

PRI – Pitched Roof Insulation

PRS – Private Rented Sector

RC – Retrofit Coordinator

RdSAP – Reduced Data Standard Assessment Procedure

RFA – Retrofit Assessment

RHS – Renewable Heating System

RHI – Renewable Heat Incentive

RICS – Royal Institution of Chartered Surveyors

RIR – Room in Roof

RIRI – Room in Roof Insulation

RSL – Registered Social Landlord

SAM – Standard Alternative Methodology

SAP – Standard Assessment Procedure

SAP rating – Numerical value normally between 1 and 100 based on calculated energy costs for the premises

SFI – Solid Floor Insulation

SH – Social Housing

SHCS – Scottish House Condition Survey

SIMD – Scottish Index of Multiple Deprivation

SMES – Small and Medium sized Enterprises

Sol – Statement of Intent

Solar PV – Solar Photovoltaics

SoS – ESNZ Secretary of State

SWI – Solid Wall Insulation

SWMR – Solid Wall Minimum Requirement

TRVs – Thermostatic Radiator Valves

TTZC – Time and Temperature Zone Control

UC – Universal Credit

UFI – Underfloor Insulation

URN – Unique Reference Number

UC – Universal Credit

WHD - Warm Home Discount

WTC – Working Tax Credit
