Core staffing is calculated using the Highland Staffing Model, which takes account of national agreements for P1 to P3 class sizes. As a result, all primaries in this ASG are staffed according to the model.

- [Staffing Table DSM Annex 4 PDF](#)
- [Primary Teacher Staffing Arrangements Admin Circular 9/2010](#)
- [Primary School Rolls as at 17th August 2013 – Appendix 2](#)

In addition to core staffing for each school, a model will be used to provide an appropriate level of ASN cover to each school within the ASG. This model was approved at Adult and Children's Services Committee, 26th September 2012. Report [ACS-33-12](#).

This session we are funding additional staffing for the ASG as follows:
