 2. having regard to (i) the nature of the activities carried on or proposed to be carried on in the subject premises, (ii) the location, character and condition of the premises, and (iii) the persons likely to frequent the premises, the Board considers the premises are unsuitable for use for the sale of alcohol in accordance with the proposed variation;
 3. having regard to the number and capacity of licensed premises of the same or similar description as the subject premises (taking account of the proposed variation) in the locality in which the subject premises are situated, the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises or licensed premises of that description in the locality.
