

## **Item 11 - Question Time**

### Response to Mr R Laird

I understand that under the previous Administration feedback from the CoSLA Leaders Group was only circulated to the Leaders of the Council's 3 Administration Groups. Feedback was not provided to the Independent Group in Opposition.

It is my intention that feedback from the CoSLA Leaders meeting should be shared much more widely and so I will ensure that all the Group Leaders, whether in or out of the Administration, should be provided with feedback within a week of the CoSLA Leaders meeting taking place. It will be for them to decide whether they wish to disseminate this further amongst their Members.
