

Item 9 - Question Time

To the Chair of the Resources Committee/Budget Leader

“Please supply me with figures both in terms of FTE’s and financially for 2014/15 of the amount of Agency staff engaged by Highland Council throughout all of its offices”.

Response to Ms M Smith

The total amount to date in respect of agency staff in 2014/15 was £2,582,339. As staff are quite often appointed for short term reasons, it is not possible to provide a FTE for this without analysing each individual invoice.
