

## The Highland Council

City of Inverness Area Committee – 1 September 2016

Agenda Item	15
Report No	CIA/45/16

### Street naming – New development at Cradlehall, Inverness

#### Report by Director of Development and Infrastructure

#### Summary

The Committee is asked to homologate a decision by the Cradlehall & Westhill Community Council, supported by the local Members, to name a street at Cradlehall that already has built units as ‘Scretan Burn Place (Ceàrn Allt an Sgrìodain).’

#### 1. Background

- 1.1 The Council’s Corporate Address Gazetteer (CAG) Team within the Development and Infrastructure Service was asked by the developers who were building residential properties, to create addresses for the new road.

#### 2. Consultations

- 2.1 The CAG Team determined that there should be a street name. A request was sent to the Ward Manager to consult with the Community Council and local Members who all agreed that the street be called Scretan Burn Place (Ceàrn Allt an Sgrìodain). [**Allt an Sgrìodain** means ‘the burn of the stony ravine or scree slope’]

#### 3. Delegation to City/Area Committees

- 3.1 As per the Scheme of Delegation the final decision on Street and Building Naming is delegated to the Area/City Committees. However in this instance the properties at Cradlehall required addresses prior to this committee. We therefore had to act on what had been agreed with the Community Councils and local Members and bring the matter to the Area Committee for homologation.

#### 4. Implications

- 4.1 There is no Resource, Legal, Equalities, Climate Change/Carbon Clever or Risk implications arising from this report.

**Recommendation**

The Area Committee is invited to homologate the naming of the street at Cradlehall as Scretan Burn Place (Ceàrn Allt an Sgrìodain).
