**Police- Area Performance Summary  
Report by the South Area Commander**

**Summary**

To provide a local summary update to Committee Members on progress with reference to the local priorities within the Highland 2014-2017 Policing Plan.

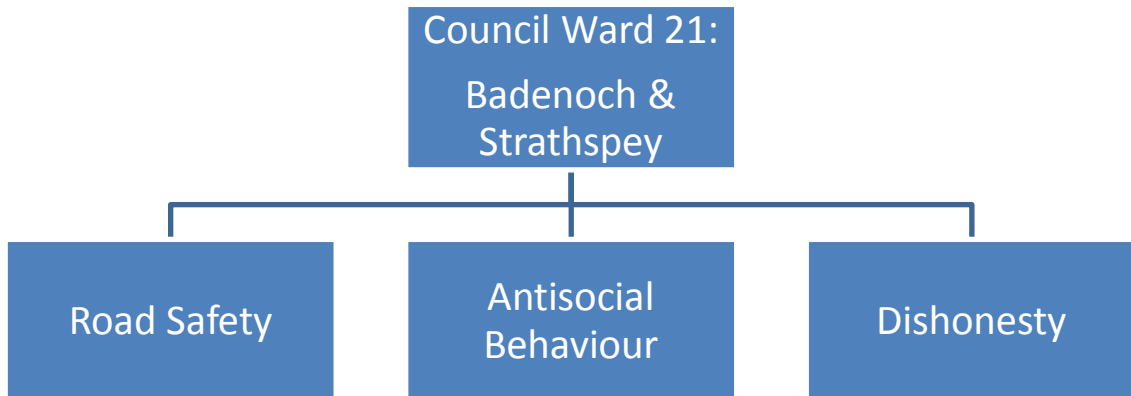

**Introduction**

In 2014 the Highland Local Policing Plan was considered by the Community Safety, Public Engagement and Equalities Committee (now Communities and Partnerships Committee) and the Education, Children and Adult Services Committee before being approved by full council; the plan sets out the policing priorities and objectives for the 3 Highland Area Commands of the Highland and Islands Division for 3 years from 2014-2017.

We are now in the 4<sup>th</sup> year as Police Scotland and the 3<sup>rd</sup> and final year of the current Highland Local Policing Plan, we continue to adapt and review local process and plans to ensure that we continue to meet the needs of communities.

The service has taken tangible steps over the last year to better capture the views and voices of communities, most notably through the “Your View counts” Campaign and consultation with Community councils. The results of these consultations will be fed back to communities and will also form part of the process of consultation which will shape the 2017 Highland Local Policing Plan

The Badenoch & Strathspey Committee sits within the South Highland Area Command of the Highland and Islands Divisional Policing Structure. The Badenoch & Strathspey Committee covers the Multi-Member Ward which has 3 priorities:

## **Counter Terrorism (CONTEST)**

CONTEST is the UK Government's Counter terrorism strategy and looks at the four stands of Pursue, Protect, Prepare and Prevent.

The Prevent strand has received much attention in recent times and it looks at preventing people from becoming involved in terrorism or supporting terrorism.

Under section 26 of the Counter Terrorism Act 2015 a number of agencies have now begun to look at addressing the Prevent duty within each organisation. Within the Highland Council Badenoch and Strathspey area all relevant staff identified have now received WRAP (Workshop in Raising Awareness in Prevent) training and all other staff have received an e-learning package to work through in an effort to inform each employee what to do and who to turn to should there be a concern about an individual that they may have engaged with. A number of other staff have also received the in depth Prevent Professional Concerns (PPC) training in order to look at best practice in the event of a concern being raised and a PPC case conference having to be called and chaired by the local authority.

An integral part to Prevent's success is involving people who already have the skill and support to hand that can recognise when someone may be becoming involved in or supporting terrorism, and can help make a decision not to carry on that path, before any crime is committed.

The role out of ACT Now (All Communities Together) has been discussed by management and Police at all of the both schools within Badenoch and Strathspey area with a view to delivery to all senior pupils in an effort to look at extremism, in any form, within the community and the negative effect it can have on that community. These sessions have now been carried out Kingussie High School and Grantown Grammar with further sessions planned in the coming academic year.

Within the Protect and Prepare strands there is representation from Badenoch and Strathspey at the Protect and Prepare sub-group from the Community Planning Partnership. Positive work within the Protect strands includes work around all sites of interest of critical and national infrastructure as well as sites that may be of a security concern

## **Wildlife Crime**

During the reporting period Police Scotland N Division Wildlife Crime Unit have been pro-active in the area regarding poaching and wildlife crime. The unit are also in the process of marketing an educational power point presentation that can be shown at shows, reception areas and can be distributed to members if required. Rural Watch and the CEASER property marking initiative have been promoted, members should consider joining Rural Watch and joining in the promotion of the crime prevention initiative. There continues to be much support from the public regarding wildlife matters and this is shown by the increase in reports to the Police. The continued support of members is greatly

appreciated

The following report provides an overview of performance in terms of the four priorities identified for the Badenoch & Strathspey area as detailed above:

## 1. **Priority 1- Road Safety**

The impact of death and injury on our roads is significant, not only from the impact on victims and their families but to communities and the wider economy. It consistently features as a concern for the communities in Highland and Road Policing remains a priority for every officer.

We continue to work in partnership to improve road user behaviour through education, enforcement and engineering solutions. This informs our actions, using intelligence and analysis to identify priority routes and road users who may be vulnerable. Evidence has shown that a highly visible presence on our roads has a significant impact on driver behaviour. We continue to ensure our officers are in the 'right place at the right time' to employ both prevention and enforcement tactics and continue working with partners to consider the development of appropriate schemes for diversion from prosecution. We are continuing to support Local Authorities, Community and Road Safety Partnerships in delivering road safety activities.

These commitments are reflected in Police Scotland's three year Road Safety and Road Crime Strategy, published in 2015.

Over the past year the Divisional and Trunk Roads Policing Unit has increased its establishment and currently has 45 dedicated officers covering the Division who can be tasked with local issues in each of the wards.

Driving Ambition took place in Kingussie High School on August 2015 and is next scheduled for 2017. Plans are in place for driving ambitions to be held at Grantown Grammar later this year.

### Badenoch & Strathspey Summary (1 April 2016- 30 June 2016)-

- There was no fatal collisions in the Badenoch & Strathspey area during this reporting period.

The below tables provide an overview of figures for the Badenoch & Strathspey Area; these figures relate to the reporting period -1<sup>st</sup> April 2016 to 30<sup>th</sup> June 2016:

Badenoch & Strathspey	15/16 FYTD	16/17 FYTD	Variation
Drink/Drug Driving (Detections)	11	5	- 6 (Figure includes failure to provide a specimen)

\* Please note: Some of the Multi-Member Ward data results in small numbers. Where this occurs great care should be taken in the interpretation of emerging trends or percentage changes.

In this reporting year, in Badenoch & Strathspey and wider Highland area, the tactical approach being taken by the Division involves targeting speed, use of mobile phones whilst driving and seatbelts.

SOUTH	15/16 FYTD	16/17 FYTD	Variation
Speeding (Detections)	862	686	-176
Seatbelt Offences (Detections)	80	47	-33
Mobile Phone Offences (Detections)	39	18	-21

\* Please note that due to system configurations the above figures are not available at multi-member ward level.

It is encouraging to see the numbers decreasing, we know that if we can reduce speed and ensure that people use their seatbelts and avoid the use of mobile phones whilst driving then they are less likely to be involved in a collision

#### Operations/Campaigns

The following campaigns have been running recently throughout the Division:

March 2016 – Speeding Campaign, Motorcycle Weekend of Action.

April 2016 – Carriage of Dangerous Goods Operation

May 2016- 2 Motorcycle Weekends of Action, Speed Campaign,  
Cycle Scotland – Give me cycle space campaign

June 2016 – Summer Drink Drive Campaign, Motorcycle Weekend of Action

## 2. Priority 2- Antisocial Behaviour

Antisocial behaviour remains a concern within our communities. As a member of the Antisocial Behaviour Group within the safer Highland Community Planning Framework we have contributed to the review and update of the antisocial behaviour strategy. This will continue to be developed over the coming year and updates and progress against the Antisocial Behaviour Action Plan.

Operation Notebook aims to identify and deal with offenders at an early stage and has proved successful in terms of multi-agency work addressing and resolving issues before they escalate. This operation has a clear remit in terms of reducing antisocial behaviour and the number of people who are victims of antisocial behaviour and noise calls.

### **Badenoch & Strathspey Performance Summary (1 April 2016 - 30 June 2016)-**

<b>BADENOCH &amp; STRATHSPEY</b>	<b>14/15 FYTD</b>	<b>15/16 FYTD</b>	<b>Variation</b>
<b>Breach of the Peace/Threatening &amp; Abusive Behaviour</b>			
<b>TOTAL:</b>	<b>2</b>	<b>4</b>	<b>+2</b>
<b>Common Assault</b>			
<b>TOTAL:</b>	<b>14</b>	<b>14</b>	<b>=</b>
<b>Vandalism (Including Malicious Mischief)</b>			
<b>TOTAL:</b>	<b>11</b>	<b>7</b>	<b>-4</b>

\* Please note: Some of the multi-member ward data results in small numbers. Where this occurs great care should be taken in the interpretation of emerging trends or percentage changes.

### 3. Priority 3- Dishonesty

Although the likelihood of being a victim of crimes such as housebreaking, thefts and bogus caller fraud is small, when they do occur they have a disproportionate effect on individuals, families and communities in respect of their feelings of safety.

The most recent National Doorstep Crime Campaign- Operation Monarda ran between 26<sup>th</sup> April and 2<sup>nd</sup> May 2016.

Activity centred on two main themes

1. Multi agency day of action; this involved road side stop/checks of commercial vehicles. Staff from 5 partner agencies worked together to check vehicles and occupants. As a result of this a number of commercial vehicles were removed from the road due to serious mechanical defects. On this occasion no bogus workmen were detected in the area. The Multi agency days of action have ran successfully for 3 years and have undoubtedly contributed to the 13% reduction in reported bogus workmen crimes over the last year. As a Division we are working hard to ensure that the area becomes undesirable for bogus workmen due to the high chance of enforcement action.
2. Local Days of Action enable the Division to utilise additional resources to carry out preventative work; during this reporting period banks, building societies, post offices and building merchants were visited and given advice on how to protect their customers from the activity of bogus workmen.

#### **. Badenoch & Strathspey Performance Summary (1 April 2016- 30 June 2016)-**
