#### **4.0 Legislation**

- 4.1 The Licensing Board must, in considering and determining the application, consider whether any grounds of refusal apply and, if none of them applies, the Board must grant the application.
- 4.2 Relevant grounds of refusal are: -
1. that the premises are excluded premises;
  2. that the grant of the application would be inconsistent with one or more of the licensing objectives;
  3. that having regard to;
    - (i) the nature of the activities proposed to be carried on in the subject premises,
    - (ii) the location character and condition of the premises, and
    - (iii) the persons likely to frequent the premises,the Board considers the premises are unsuitable for use for the sale of alcohol, or
  4. that having regard to the number and capacity of licensed premises of the same or similar description in the locality, the Board considers that if the application were to be granted, there would, as a result, be overprovision of licensed premises of that description in the locality.
- 4.3 If the Board would refuse the application as made, but a modification is proposed by them and accepted by the applicant, the application can be granted as so modified.

## **5.0 Licensing Standards Officer**

5.1 The LSO has provided the following comments:-

5.2 The Scottish Youth Hostel Association have operated a successful youth hostel at Gairloch for many years and now apply for a licence to sell alcohol by on and off-sales to the residents and other persons making use of the facilities and services.

5.3 The premises are situated in their own grounds on the northern shore of Loch Gairloch

5.4 There is no bar counter on the premises and on and off-sales of alcohol, which will be in sealed containers, will be made from the office/reception area. There is no accessible display of alcohol for off-sales and there is no conflict with the Board's policy on overprovision.

5.5 The application is for licensed hours within policy and the full list of activities and services which may be available for residents and other customers is appropriate for this type of operation.

5.6 There are no nearby residential properties and a condition restricting the use of the outdoor drinking area is not considered necessary.

5.7 I am satisfied that there is no conflict with any licensing objective and have no cause to object to the grant of this licence.

## **6.0 HLB local policies**

6.1 The following policies are relevant to the application:-

- (1) Highland Licensing Board Policy Statement 2013-18
- (2) Highland Licensing Board Equality Strategy
