Dear Margaret,

Highland CPP Board & Chief Officer's Group

Following your helpful comments at the recent CoHI meeting I have reflected further on Skills Development Scotland's membership of the Highland CPP Board and the Chief Officer's Group.

At present Seonag Campbell represents SDS's interests on the Chief Officer's Group and this is working extremely well. Going forward I would like to take up your original invitation to have an SDS Board Member join the Highland CPP Board. I think this would further enhance the level of support and contribution already made by SDS.

If this would be acceptable I would propose that Seonag MacKinnon be SDS's representative on the CPP Board.

Yours sincerely

John F McClelland CBE
Chair
