4.0 Legislation

- 4.1 The Licensing Board must in considering and determining the application, consider whether any grounds of refusal apply and if none of them applies, the Board must grant the application.
- 4.2 Relevant grounds of refusal may be: -
 1. the grant of the application will be inconsistent with one or more of the licensing objectives;
 2. having regard to (i) the nature of the activities carried on or proposed to be carried on in the subject premises, (ii) the location, character and condition of the premises, and (iii) the persons likely to frequent the premises, the Board considers the premises are unsuitable for use for the sale of alcohol in accordance with the proposed variation;
 3. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.
- 4.3 For the purposes of the Act, the licensing objectives are-
 - (a) preventing crime and disorder,
 - (b) securing public safety,
 - (c) preventing public nuisance,
 - (d) protecting and improving public health, and
 - (e) protecting children and young persons from harm.
- 4.4 The Board only has power either to grant the application and make a variation of the conditions to which the licence is subject or to refuse the application.

4.5 If the Board refuses the application, the Board must specify the ground for refusal and if the ground for refusal relates to a licensing objective, the Board must specify the objective in question.

5.0 Licensing Standards Officer

5.1 The LSO has provided the following comments:-

Gairloch Golf Club is a long-established, members club and was granted a premises licence on transition on 1 September 2009.

In order to maximise the opportunities for use of the premises the Club wishes to cease to operate as a club in terms of the Licensing (Scotland) Act 2005 and the Licensing (Clubs) (Scotland) Regulations 2007 so as to permit members of the general public to be able to consume alcohol on the premises otherwise than as a guest of a member when availing themselves of the services and activities available on the premises. The principal use of the premises will, however, remain as a members club operated in accordance with its constitution for the benefit of its members.

If the premises cease to be a members club in terms of the Act they will cease to be exempt from any overprovision assessment, must provide information as to the premises manager and must pay any increased fees for the appropriate premises category. In addition the premises would not qualify to operate a Club Gaming Machine in terms of the Gambling Act 2005 although lower category machines are permitted as for other like licensed premises.

The applicant is also taking this opportunity to clarify the terms of entry for children and young persons and to remove irrelevant detail. The amended terms remain within Board policy.

The proposed changes are all within Board policy and do not conflict with any licensing objective. I have no cause too object to the grant of the variation application.

6.0 HLB local policies

6.1 The following policies are relevant to the application:-

- (1) Highland Licensing Board Policy Statement 2013-18
- (2) Highland Licensing Board Equality Strategy

7.0 Conditions

7.1 Mandatory conditions

If the application is approved the mandatory conditions set out in Schedule 3 of the Act will apply.

7.2 Local conditions

Existing local conditions will continue to apply and no additional local conditions are considered necessary.

Recommendation

The Board is invited to determine the above application.

If the Board is minded to refuse the application, the Board must specify the ground for refusal and if the ground for refusal is in relation to a licensing objective, the Board must specify the objective in question.
