	Number of consensual stop and searches refused	-	-		
	Number of seizures made	-	-		

An enhanced version of the National Stop & Search Database commenced on 1 June 2015. The enhanced database brought significant changes in the process of data capture and the methodology for recording data items. No previous year to date figures are provided as it has been previously acknowledged this data is not 100% accurate, therefore comparisons will provide misleading results or invalid conclusions.

Management Information and data in respect of stop and search can be found on the Police Scotland website via <http://www.scotland.police.uk/about-us/police-scotland/stop-and-search-data-publication>.

Positive Stop Search - A positive stop and search is when an item is recovered where possession of same implies criminality on the part of the individual being searched or any other; or potentially compromises the safety of that individual or another.

A **seizure** occurs when - alcohol, and/or; tobacco product, and/or; cigarette papers are surrendered, or are removed from an individual by a Police Officer, for the purpose of safeguarding the health and well-being of that individual or any other, in circumstances where the stop and search tactic has NOT been utilised and no physical search of an individual has taken place.

PRIORITY – Acquisitive Crime

Intention – With Partners and Communities, prevent instances of acquisitive crime across the Highland area

Objective – With Partners, share information, support education, prevention, diversionary and enforcement activity linked to acquisitive crime; develop work with targets – recidivist offenders to reduce reoffending linked to acquisitive crime e.g. Persistent Offenders programme; enhance the use of all media platforms to raise awareness of local and national preventative initiatives.

Target	Baseline 5 Year Average	Baseline 3 Year Average	YTD 2016/17	YTD 2017/18	YTD Variation	Context/Narrative

Number of theft by shoplifting	6.8	6.3	5	6	1	
Number of theft from motor vehicles	7.2	6	6	5	-1	Figure below 5yr and 3yr average.
Prevention and Intervention Activity	<p>The Banking Protocol is an initiative between the police, banking institutions & Trading Standards. Its aim is at the earliest opportunity to identify vulnerable victims who are in the process of being defrauded of funds from their bank accounts by unscrupulous criminals and to intervene to prevent these crimes.</p> <p>Victims, particularly elderly and other vulnerable people are targeted by suspects for a range of fraud offences, including courier fraud and bogus worker offences. These crimes often involve the perpetrator encouraging the victim to attend their bank, post office or other financial services provider in person and withdraw or transfer cash.</p> <p>The Protocol is designed to provide a standardised method for how these concerns are dealt with and reported to police and to stop multiple victimisation. This protocol commenced nationally and in the Skye and Raasay region during March 2018.</p>					

PRIORITY – Protecting People at Risk of Harm

Intention – Protect people at risk of harm

Objective – With Partners we will focus on safeguarding communities; with Partners we will address emerging issues through Prevention and Intervention

Target	Baseline 5 Year Average	Baseline 3 Year Average	YTD 2016/17	YTD 2017/18	YTD Variation	Context/Narrative
Class 2 Crimes - sexual crimes	4.6	5.6	6	3	-3	Enquiries in relation to sexual crimes are focused on positive outcomes for victims of crime and led by their wishes. This figure also includes reporting of non-recent incidents.
Ensure that people who report hate incidents feel satisfied with the response received from public agencies.	<p>Third party Reporting Centres – New and existing centres to receive new training early in 2018.</p> <p>A Hate Crime Survey is sent to all victims of Hate Crime; this survey has been in place since 1st January 2015 and its purpose is to ensure that people who report hate incidents feel satisfied with the response received from public agencies.</p>					
Prevention and Intervention Activity	<p>Missing Persons –. During this reporting period, there have been 141 missing person reports in the South Highland area, of this number 102 (72%) reports relate to children. This figure does not include missing persons from other areas who are traced in the South Highland area.</p> <p>These incidents represent a very high risk area of police business and necessitate immediate response. Police Scotland employs a missing person co-ordinator who meets with the local authority on a weekly basis to review placements for looked after children. Where necessary this includes daily contact when incidents occur.</p>					

PRIORITY – Serious & Organised Crime

Intention – With Partners, reduce the threat, risk and harm caused by Serious Organised Crime

Objective – With Partners work to safeguard the Highland area by taking all opportunities to prevent crime and make the Highland area a hostile environment for Serious & Organised Crime Groups; to improve outcomes for individuals and communities and reduce offending through prevention, early intervention and diversion; in support of our Partners in the Local Authority and NHS via the Highland Alcohol and Drug Partnership Strategy we will direct those who are substance dependant towards recovery through prevention, treatment and support services; with Partners work to reduce the instances of substance misuse in our communities

Serious & Organised Crime	<p>Divisional Operation - intelligence development and investigation into drug supply and use in educational establishments throughout the Division, including Skye & Raasay. All intelligence will continue to be monitored daily and passed to the local area inspector for proactive approach.</p> <p>Divisional Operation – ongoing investigation into recent online/electronic frauds which have targeted local business/charities and have resulted in the loss of substantial amounts of money in the Division and in the Skye & Raasay Area over the current reporting year.</p>
Prevention and Intervention Activity	<p>The Banking Protocol is an initiative between the police, banking institutions & Trading Standards. Its aim is at the earliest opportunity to identify vulnerable victims who are in the process of being defrauded of funds from their bank accounts by unscrupulous criminals and to intervene to prevent these crimes.</p> <p>Victims, particularly elderly and other vulnerable people are targeted by suspects for a range of fraud offences, including courier fraud and bogus worker offences. This protocol commenced nationally and in the South Highland region during March 2018.</p>

PRIORITY – Counter Terrorism & Domestic Extremism

Intention – Support the delivery of the CONTEST strategy to reduce the threat posed by terrorism and domestic extremism

Objective – Strengthen PREVENT work with Partners and institutions; with Partners, support individuals who are vulnerable to terrorism and violent extremism; strengthen PREVENT work in relation to the internet and Social Media; Effective Multi-agency planning in respect of Counter Terrorism is taking place; Develop our ability to respond effectively to any terrorist attack (with a specific focus on emerging high-risk threats, and specialist capabilities).

Counter Terrorism & Domestic Extremism	<p>Workshop to Raise Awareness of Prevent (WRAP)</p> <p>WRAP is an interactive facilitated workshop aimed at front line staff such as police, social serves, probation, education and health staff. It seeks to support staff to recognise that using their existing expertise and professional judgement, they may be able to recognise potentially vulnerable individuals.</p> <p>Work is ongoing to develop contacts in the Skye & Raasay area in order to run workshops for relevant staff.</p>
