Halkirk to Sibster path	Land Owner now not interested. SSEN track 0.4 of a mile from village boundary. Would local Community Council or Village Council be interested in taking this project forward? MD to take forward with input from Cllr Bremner.	KR to speak to CC to see if interest still exists. (correct?)		
Jessan's Bridge	Bridge washed away in 20?? Landowner resistant to replacement due to liability issue. Question as to whether Castletown Community Council would take this project forward.	MD to speak to landowners		
Ormlie Moors	As of 2/2017 there was still evidence of vehicles misusing the land, but the LAF judged this is not an access issue and closed the item.			23 Oct 2018
Scrabster to Quarry path	Locked gate still in place although sometimes the gate is unlocked but not on a regular basis. WM would contact farmer. WB suggests that a stile may be more favourable.	Action? Someone to speak to landowner?		
Braemore (Dunbeath)	The Estate has built a diversion around the cottage but has not applied for planning. MD says CP will not be changed until planning is approved.	JW to speak to Anson McAuslan to determine the Estate's intentions.		
Coastal path east of John O'Groats	Camp site landowner objects to path through site. MD has kept this in the ACPP and plan will go to ministers to resolve objection.	MD		
Altnabreac railway crossing	This was removed by Ministers. Highland Council want to promote to put this back in the plan. 2013 white paper on level crossings has still to be debated by Scottish Government.	Action?
