

Item 7: Question Time

To the Chair of the Care, Learning & Housing Committee

What is your timetable for assessing what staff training is required to support pupils with Additional Support Needs in schools and when would you anticipate for this to be in place?

Response to Mr A Jarvie

The training needs are being assessed currently and it is anticipated that this will be completed by the end of March following the appointment of a Change team to take forward the transformation in Education. The aim is to deliver the training from May onwards.
