School staff information from Staff Census collected Sept 2018. Please note that only certain types of teaching posts are counted here: Normal complement, Long term sick absence replacement, secondment replacement, maternity leave

replacement, other replacement, temporary contract, covering a vacancy. Teachers who teach at the school but are centrally employed are excluded. Pre-school staff information has been taken from the Pre-School Census returned to the Scottish Govt in September 2018.

Core staffing is calculated using the Highland Staffing Model, which takes account of national agreements for P1 to P3 class sizes. As a result, all primaries in this ASG are staffed according to the model. The Primary Staffing Arrangements are currently being revised and the new Highland Staffing Model will be shared in due course.

In addition to core staffing for each school, a model will be used to provide an appropriate level of ASN cover to each school within the ASG. This model was approved at Adult and Children’s Services Committee, 26th September 2012 (Item 9a). Report [ACS-33-12](#).

This session we are funding additional staffing for the ASG as follows:

- 5.6 FTE ASN teachers
- 8 FTE PSA staff (398.75 hours assuming FTE = 14.6)

The identified level of need at start of session was:

27	Pupils at level 3
6	Pupils at level 4

Free School Meal information extracted from Healthy Living Survey collected February 2019 Free Meals Eligibility is the percentage of the present school roll registered for free meals. Free Meals Uptake is the percentage of those present on census day who were registered and took free meals. The comment "small school/number" indicates that because of the small numbers of pupils in the school or the small numbers registered for free school meals this information cannot be disclosed.
