

Agenda Item	4
Report No	PLN/063/19

HIGHLAND COUNCIL

Committee: North Planning Applications Committee

Date: 10 September 2019

Report Title Major Development Update

Report By: Acting Head of Development Management – Highland

1. Purpose/Executive Summary

1.1 This report provides an update on progress of all cases within the 'Major' development category currently with the Planning and Development Service for determination. The report also details progress on proposals submitted under S36 or S37 of the Electricity Act 1989 on which the Council is consulted.

2. Implications

- 2.1 Resource: Not applicable
- 2.2 Legal: Not applicable
- 2.3 Community (Equality, Poverty and Rural): Not applicable
- 2.4 Climate Change / Carbon Clever: Not applicable.
- 2.5 Risk: Not applicable
- 2.6 Gaelic: Not applicable

3. Recommendation

3.1 Members are asked to note the current position of these applications

4. Update on Progress

- 4.1 Appendix 1 contains a list of all applications for Major Development currently with the Service and awaiting determination. A brief update on the progress of these applications is provided, including a likely timescale for each case to be determined.
- 4.2 Appendix 2 provides a list of all significant Electricity Act applications. It should be noted that for many of these, the Council has already provided its response to Scottish Government. Only once Scottish Ministers determine these cases will they be removed from the list. From a performance point of view, the Council is not required to meet the same target timescales expected with planning applications.
- 4.3 Details for any of these applications can be obtained through the Council's e-planning portal <http://wam.highland.gov.uk/wam> by entering the respective case reference number provided.

8. RECOMMENDATION

- 8.1 That Members note the current position with these applications.

Signature: Dafydd Jones

Designation: Acting Head of Development Management – Highland

Author: Simon Hindson, Team Leader – Strategic Projects
