5.0 Legislation

5.1 The Licensing Board must in considering and determining the application, consider whether any grounds of refusal apply and if none of them applies, the Board must grant the application.

Relevant grounds of refusal may be: -

1. the grant of the application will be inconsistent with one or more of the licensing objectives;
2. having regard to (i) the nature of the activities carried on or proposed to be carried on in the subject premises, (ii) the location, character and condition of the premises, and (iii) the persons likely to frequent the premises, the Board considers the premises are unsuitable for use for the sale of alcohol in accordance with the proposed variation;
3. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.

5.2 For the purposes of the Act, the licensing objectives are-

- (a) preventing crime and disorder,
- (b) securing public safety,
- (c) preventing public nuisance,
- (d) protecting and improving public health, and
- (e) protecting children and young persons from harm.

5.3 The Board only has power either to grant the application and make a variation of the conditions to which the licence is subject or to refuse the application.

5.4 If the Board refuses the application, the Board must specify the ground for refusal and if the ground for refusal relates to a licensing objective, the Board must specify the objective in question.

6.0 Licensing Standards Officer

6.1 The LSO has provided the following comments:-

(i) Edinburgh Woollen Mill, 28-30 High Street, Inverness is a retail shop in the centre of Inverness which sells alcohol by way of off sales. The main trading is by way of themed Scottish clothing and gifts to which sales of quality Scottish alcohol is a complimentary facet of trading. The premises have a trouble free operating history and compliance visits by the LSO have revealed the premises being run correctly according to the terms of their alcohol premises licence

(ii) The premises have sought to modernise their existing licence in order to meet the heavy demands of the tourist trade with more flexibility.

(iii) Sunday hours are requested to commence from 1000 hours. This is in line with current Board policy and authorised off sales hours under the Licensing (Scotland) Act 2005.

(iv) The capacity for seasonal variations is no longer required. Section 5 has been updated within the operating plan to accurately reflect the activities and the times they are offered by the premises.

(v) The LSO has reviewed the amended operating plan and is of the opinion, that it is compliant with the licensing objectives.

(vi) Following the public consultation phase of this application no objections or observations have been received.

7.0 HLB local policies

7.1 The following policies are relevant to the application:-

- (1) Highland Licensing Board Policy Statement 2018-23
- (2) Highland Licensing Board Equality Strategy

8.0 Conditions

8.1 Mandatory conditions

If the application is approved the mandatory conditions set out in Schedule 3 of the Act will apply.

8.2 Local conditions

There are no existing local conditions and it is not considered necessary to attach any.

8.3 Special conditions

No special conditions are considered necessary.

Recommendation

The Board is invited to determine the above application.

If the Board is minded to refuse the application, the Board must specify the ground for refusal and if the ground for refusal is in relation to a licensing objective, the Board must specify the objective in question.
