5.0 Legislation

- 5.1 The Licensing Board must in considering and determining the application, consider whether any grounds of refusal apply and if none of them applies, the Board must grant the application.

Relevant grounds of refusal may be: -

1. the grant of the application will be inconsistent with one or more of the licensing objectives;
2. having regard to (i) the nature of the activities carried on or proposed to be carried on in the subject premises, (ii) the location, character and condition of the premises, and (iii) the persons likely to frequent the premises, the Board considers the premises are unsuitable for use for the sale of alcohol in accordance with the proposed variation;

3. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.

5.2 For the purposes of the Act, the licensing objectives are-

- (a) preventing crime and disorder,
- (b) securing public safety,
- (c) preventing public nuisance,
- (d) protecting and improving public health, and
- (e) protecting children and young persons from harm.

5.3 The Board only has power either to grant the application and make a variation of the conditions to which the licence is subject or to refuse the application.

5.4 If the Board refuses the application, the Board must specify the ground for refusal and if the ground for refusal relates to a licensing objective, the Board must specify the objective in question.

6.0 Licensing Standards Officer

6.1 The LSO has provided the following comments:-

- (i) Eden Court Theatre and Cinema complex has held an alcohol premises licence since the inception of the Licensing (Scotland) Act 2005. The premises having an excellent operating history and compliance checks by the LSO have shown the premises to be managed in a responsible and diligent manner.
- (ii) Application has been made to vary the premises licence operating plan and the on sales hours are requested to commence from 1100 hours in line with current Board policy. The LSO is of the opinion, that this change will not compromise the licensing objectives.
- (iii) The premises have extensive external grounds and car parks surrounding the venue. Parts of these grounds are already covered by the existing licence whereas other areas operate under occasional licences for specific events. It is now requested to rationalise this by including all grounds and car parking areas to be covered under the licensing footprint. The description of the premises will be amended as follows:

"The entire grounds inclusive of all car parking areas are included within the licensed area to allow for maximum flexibility when catering for events required to be accommodated in whole or in part within the grounds".

- (iv) This will allow extensive use of the grounds for Christmas markets, trade fairs, summer cultural performances and exhibitions. The LSO having interviewed the applicants is confident that they strongly respect their social responsibility to neighbouring property to ensure neighbours are not unduly disturbed.

7.0 HLB local policies

7.1 The following policies are relevant to the application:-

- (1) Highland Licensing Board Policy Statement 2018-23
- (2) Highland Licensing Board Equality Strategy

Recommendation

The Board is invited to determine the above application and if minded to grant the application, to agree the proposed local conditions detailed at para. 8.2 above.
