* There has been a reduction in customer visits to this facility since the library and archive centre relocated to the new East Caithness Community Facility and Nucleus respectively.

** The co-location of the library and leisure facilities in the new East Caithness Community Facility has increased the opening hours from 42 hours per week to 87. This has led to a significant increase in customer visits. (Figures shown for 2015/16 and 2016/17 are for the former school and public library combined for ease of comparison).
