

(ii) Mr A Baxter

To the Chair of the Housing & Property Committee

'How much has the Highland Council spent, in each of the last three financial years, on using outside contractors to make repairs to council tenant heating systems?'

The amount spent in the last three financial years was

2018/19	£571,710
2019/20	£763,714
2020/21	£685,818
