

Highland Community Planning Partnership

Community Planning Board – 31 March 2021

Agenda Item	7i.
Report No	CPB/05/21

Updated CPP Board Terms of Reference

Report by: Head of Policy, Highland Council

Recommendations:

The CPP Board is asked to agree:

- The future governance arrangements for the scrutiny and oversight of the Highland Alcohol and Drug Partnership
- The updated terms of reference to reflect the reporting of the Highland Alcohol and Drug Partnership to the CPP Board

1.	Highland Alcohol and Drug Partnership Governance
1.1	As noted at the February meeting of the CPP Board, during the course of a review of the Public Protection Chief Officer's Group, it was highlighted that although in attendance at these meetings, this was not the appropriate Governance route for the Highland Alcohol and Drugs Partnership.
1.2	At the same time, HADP have been reviewing their governance structure. Elsewhere in Scotland, Alcohol and Drug Partnerships would normally report to partnership forums whether that would be Integrated Joint Boards or through Community Planning Structures.
1.3	In light of this, it is proposed that in the future, the HADP reports to the Community Planning Partnership Board. This is timely given the identification of Alcohol and Drugs as key priorities areas for the CPP. A report outlining the purpose, role and its relationship to the CPP accompanies this report on the Board's agenda and details are also included in the report on CPP priorities.
1.4	To reflect this proposal, the CPP Terms of Reference (appended) has been updated to reflect: <ul style="list-style-type: none">• The Highland Alcohol and Drug Partnership would have the same relationship with the CPP Board in relation to oversight and scrutiny as the Community Justice Partnership• The Board would have oversight and scrutiny of the Highland Alcohol and Drug Partnership Joint Strategy

	<ul style="list-style-type: none"> • The Highland Alcohol and Drug Partnership Co-ordinator would attend the Board to provide performance updates • The Highland Alcohol and Drug Partnership Co-ordinator would be a member of the Partnership Co-ordinating Group to ensure alignment between strategic and local priorities <p>Please note that the CPP graphic in the terms of reference still requires to be updated.</p>
1.5	<p>The CPP Board is asked to agree:</p> <ul style="list-style-type: none"> • The future governance arrangements for the scrutiny and oversight of the Highland Alcohol and Drug Partnership • The updated terms of reference to reflect the reporting of the Highland Alcohol and Drug Partnership to the Board
