

(ii) Mr C Fraser

To the Chair of the Housing & Property Committee

“What is the waiting list for Highland residents who want ground-floor, wheelchair-accessible properties i.e. how many people are on the housing list and have high accessibility need points allocated to them?”

As at 31 March 2021, there were 119 Highland Housing Register applicants who indicated that they had a wheelchair-accessible property need. 63 of these applicants had high accessible housing points. Details of allocations based on accessible housing needs will be provided as part of the 2020-21 HHR Allocations Report to Housing & Property Committee on 10 June.
