

Agenda Item	<b>6</b>
Report No	<b>DSA/003/21</b>

## HIGHLAND COUNCIL

**Committee:** Dingwall and Seaforth Area Committee

**Date:** 5 August 2021

**Report Title:** Housing Performance Report – 1 April 2021 to 30 June 2021

**Report By:** Executive Chief Officer Housing and Property

### **1 Purpose/Executive Summary**

1.1 This report provides information on how the Housing Service performed in relation to Scottish Social Housing Charter and other performance indicators up to 30 June 2021.

### **2 Recommendations**

2.1 Members are invited to consider the information provided on housing performance in the period 1 April 2021 to 30 June 2021.

### **3 Implications**

3.1 **Resource** - There are no resource implications arising from this report.

3.2 **Legal** - There are no legal implications arising from this report.

3.3 **Community (Equality, Poverty and Rural)** - There are no equality implications arising from this report.

3.4 **Climate Change/Carbon Clever** - There are no climate change/Carbon Clever implications arising from this report.

3.5 **Risk** - Risk is managed through regular review and reporting to allow corrective action to be taken if necessary.

3.6 **Gaelic** - There are no Gaelic implications arising from this report.

## 4 Background

- 4.1 The Scottish Housing Regulator (SHR) has set out the performance indicators that it will use in its scrutiny of landlords.
- 4.2 This report provides key performance information based on the reporting framework recommended by the SHR.
- 4.3 Further performance information by Council Ward can be found on the Highland Council Intranet ward reporting pages.  
[http://www.highland.gov.uk/staffsite/info/13/members\\_intranet/37/ward\\_reporting/2](http://www.highland.gov.uk/staffsite/info/13/members_intranet/37/ward_reporting/2)
- 4.4 In accordance with the Scottish Social Housing Charter guidance, the Repairs, Tenancy Management and Rent Arrears figures are cumulative, while the Homeless Presentations figures are given for each separate quarter.
- 4.5 Scottish Housing Network (SHN) benchmark information, derived from the performance of all Scottish Landlords, has also been provided where available.

## 5 Repairs

- 5.1 The key indicators for measuring repairs performance are considered to be the average time taken to complete Emergency repairs and Non-emergency repairs.

- 5.2 The average length of time taken to complete Emergency repairs is calculated in hours.

- 5.3 **Table 1: Average length of time taken to complete emergency repairs (hours)**  
**Target 14 hours**  
**2019/20 SHN Benchmark (Group) – 4.8 hours**

EME	No of Houses	2020/21				2021/22
		Q1	Q2	Q3	Q4	Q1
Dingwall & Seaforth	1001	3.9	5.3	5.2	9.2	4.4
<b>Highland</b>	<b>14469</b>	<b>4.5</b>	<b>5.7</b>	<b>6.9</b>	<b>8.5</b>	<b>5.7</b>

- 5.4 Emergency repairs continue to perform well within the target of 14 hours. There has recently been an improvement in response times in Q1 2021/22. Emergency repairs are always a priority for the Building Maintenance team.

- 5.5 Non-emergency repairs are measured in working days.

- 5.6 **Table 2: Average length of time taken to complete non-emergency repairs (days)**  
**Target 8 days**  
**2019/20 SHN Benchmark (Group) – 6.6 days**

NON-EME	No of Houses	2020/21				2021/22
		Q1	Q2	Q3	Q4	Q1
Dingwall & Seaforth	1001	9.7	14.5	13.2	9.9	22.7
<b>Highland</b>	<b>14469</b>	<b>7.9</b>	<b>12.4</b>	<b>10.8</b>	<b>7.9</b>	<b>16.2</b>

5.7 Non-emergency repairs remain affected by backlogs caused by the COVID-19 lockdowns. As backlogged work is completed, there will be ongoing impact on performance figures. Repairs staff are monitoring outstanding works and amending priority where necessary. Over time performance will return to pre-COVID levels.

5.8 In gathering the information for repairs indicators, we do not include instances where we have been unable to gain access to properties. This is in accordance with the Scottish Social Housing Charter guidance.

## 6 Tenancy Management

6.1 The chart below provides information on the average re-let time, showing the trend for the last 6 Quarters.

6.2 **Table 3: Average re-let time (days) Target 35 days  
2019/20 SHN Benchmark (Group) – 40.9 days**

Avg relet time	No of Houses	No of relets	2020/21				2021/22
			Q1	Q2	Q3	Q4	Q1
Dingwall & Seaforth	1001	11	41.29	38.18	29.90	29.86	19.55
<b>Highland</b>	<b>14469</b>	<b>284</b>	<b>45.86</b>	<b>53.24</b>	<b>46.01</b>	<b>44.23</b>	<b>33.51</b>

6.3 Void performance has further improved in Q1 2021/22 and remains within target.

## 7 Rent Arrears

7.1 A key indicator for rent arrears is considered to be the value of current rent arrears. The table below shows the comparative figure for the last 6 Quarters.

7.2 **Table 4 – Current Rent Arrears**

Rent arrears	No of Houses	2020/21				2021/22
		Q1	Q2	Q3	Q4	Q1
Dingwall & Seaforth	1001	179,388	169,253	144,478	129,701	105,758

7.3 Rent arrears have improved in Q1 2021/22. Previous reports have detailed the efforts of officers to provide a full service in relation to rent arrears management during the pandemic. With the easing of restrictions, visits to tenants in arrears have resumed, allowing face-to-face communication. Officers remain supportive and sympathetic to all tenants facing financial hardship at this time and officers continue to signpost tenants to partner services who can provide specialist advice relating to income maximisation and benefits uptake.

## 8 Homelessness

8.1 Performance information on homelessness is not collected as part of the Scottish Social Housing Charter return, however a number of indicators have been agreed for reporting to Local Committees.

8.2 Table 5 shows the number of homeless presentations received in Ross and Cromarty. It is not currently possible to disaggregate these figures to Dingwall and Seaforth only.

8.3 There were 277 presentations across Highland at the end of Q1 2021

8.4
