Report no	PLS-062-21

HIGHLAND COUNCIL

Committee: South Planning Applications Committee

Date: 21 September 2021

Report Title: Major Development Update

Report By: Area Planning Manager - South

Purpose/Executive Summary

This report provides an update on progress of all cases within the 'Major' development category currently with the Planning and Development Service for determination. The report also details progress on proposals submitted under Section 36 or Section 37 of the Electricity Act 1989 on which the Council is consulted.

Recommendation

Members are asked to note the current position of these applications.

1. Update on Progress

- 1.1 Appendix 1 contains a list of all applications for Major Development currently with the Service and awaiting determination. A brief update on the progress of these applications is provided, including a likely timescale for each case to be determined.
- 1.2 Appendix 2 provides a list of all significant Electricity Act applications. It should be noted that for many of these, the Council has already provided its response to Scottish Government. Only once Scottish Ministers determine these cases will they be removed from the list. From a performance point of view, the Council is not required to meet the same target timescales expected with planning applications.
- 1.3 Appendix 3 provides a list of all major scale planning permissions and Electricity Act consents issued within the last two years to provide members with an update on the status of these developments.
- 1.4 Details for any of these applications can be obtained through the Council's e-planning portal <http://wam.highland.gov.uk/wam> by entering the respective case reference number provided. The following abbreviations have been used in the appendices:
- PCO – Pending Consideration
 - PDE – Pending Decision
 - S36RO – raised an objection to an application for energy generation under the Electricity Act
 - S36RNO – raised no objection to an application for energy generation under the Electricity Act
 - S37RO – raised an objection to an application for energy transmission under the Electricity Act
 - S37RNO – raised no objection to an application for energy transmission under the Electricity Act

2. Delegated Refusals of Major Applications and Current Appeals

- 2.1 Since the Major Developments Update Report presented to the last South Planning Applications Committee, no major applications have been refused using delegated powers, following circulation to local Members. However, an application for Erection of 28 houses, commercial unit (Class 1, 2, 3 - excluding Hot Food Takeaway, 4 & 10), sports pitch and associated infrastructure on land Opposite Spean Crescent, Spean Bridge was withdrawn by the applicant (reference 20/01909/FUL).
- 2.2 There are currently no appeals ongoing for major scale development in the South Planning Application area. For those cases under the Electricity Act 1989 where a Public Local Inquiry has been held and we are awaiting the decision of the Scottish Ministers the case will be listed in the appendix to this report only.

3. Recent Decisions by Scottish Ministers

3.1 Since the report to the last committee no consents under the Electricity Act have been issued by Scottish Ministers.

4. Recommendation

4.1 That Members note the current position with these applications.

5. Implications

5.1 Resource: Not applicable.

5.2 Legal: Not applicable.

5.3 Community (Equality, Poverty and Rural): Not applicable.

5.4 Climate Change/Carbon Clever: Not applicable.

5.5 Risk: Not applicable.
