

(2) Mr C Fraser

To the Chair of the Economy & Infrastructure Committee

When can we expect the updated version of the 'Highland Council Road Verge Maintenance Guidance' which was promised earlier in the year?

Following the appointment of the new Head of Roads and Infrastructure a full review of policies and procedures is ongoing, the verge maintenance policy has been identified for review and update and this will follow for consideration before the next cutting season.

Mr Fraser will be entitled to ask a supplementary question which will be answered by the Chair.
