To the Chair of the Economy & Infrastructure Committee

Is the Council in full communication with HIE on the progress of repairing the Cairngorm Funicular and able to provide a date for a fully functioning system?

HIE is responsible for the Cairngorm Funicular and the Council is being kept up to date with progress on repairs through the regular strategic meeting between the Leader and the Chairman of HIE. The latest position is that the period for repairs is being extended to Autumn 2022.
