

(28) Mr S Mackie

To the Leader of the Council

Can you confirm whether the Highland Council has formally signed the Women in Nuclear Industry Charter, as supported by the Highland Council in March 2020?

I understand from the minutes of the Council meeting in March 2020 that the following offer/comment from Councillor Mackie is recorded

“If the terms of the Motion were carried, the Chair of the Dounreay Stakeholder Group (Struan Mackie) would extend an offer to the Council Leader to join him on site at the earliest opportunity to sign the Charter in person and to meet those involved in WiN UK Highland”

I am happy to work with Cllr Mackie arrange a date to sign the Women in Nuclear Industry Charter.
