3.0 Background

3.1 On 12 October 2021 the Licensing Board received an application for the provisional grant of a premises licence from Skye Lodges Ltd.

The application was accompanied by the necessary section 50 certification in terms of Planning and Building Standards, together with a Disabled Access Statement. The section 50 certification from Environmental Health is awaited.

- 3.2 The application was publicised during the period 18 October 2021 until 8 November 2021 and confirmation that the site notice was displayed has been received.
- 3.3 In accordance with standard procedure, Police Scotland, the Scottish Fire & Rescue Service and the Council's Community Services (Environmental Health) and Planning and Building Standards were consulted on the application.
- 3.4 Notification of the application was also sent to NHS Highland and the local Community Council.
- 3.5 Further to this publication and consultation process, no timeous objections or representations have been received.
- 3.6 As a hearing cannot be held in person due to coronavirus, the Licensing Board, before reaching a decision, must give any person who would have been given the opportunity to be heard at the hearing the opportunity to be heard instead by alternative methods. Consequently, the applicant has been invited to attend a virtual hearing and/or submit a written representation to state their case.

4.0 Legislation

- 4.1 The Licensing Board must, in considering and determining the application, consider whether any grounds of refusal apply and, if none of them applies, the Board must grant the application.

Relevant grounds of refusal are: -

1. that the premises are excluded premises;
2. that the Board considers, having regard to the licensing objectives, that the applicant is not a fit and proper person to be the holder of a premises licence;
3. that the grant of the application would be inconsistent with one or more of the licensing objectives;
4. that having regard to;
 - (i) the nature of the activities proposed to be carried on in the subject premises,
 - (ii) the location character and condition of the premises, and
 - (iii) the persons likely to frequent the premises,the Board considers the premises are unsuitable for use for the sale of alcohol, or
5. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.

4.2 For the purposes of the Act, the licensing objectives are-

- (a) preventing crime and disorder,
- (b) securing public safety,
- (c) preventing public nuisance,
- (d) protecting and improving public health, and
- (e) protecting children and young persons from harm.

4.3 If the Board would refuse the application as made, but a modification is proposed by them and accepted by the applicant, the application can be granted as so modified.

5.0 Licensing Standards Officer

The LSO has provided the following comments:-

- (i) The property known as An Talla Mor -1820 is a detached and renovated property, which had previously existed as a church. The property is situated near the centre of Portree, Isle of Skye.
- (ii) The property is on two floors with a large mezzanine area and will be run very much as a “hybrid type” of premises, operating as a café/bar during the day and thereafter predominantly a restaurant /bar during the evening.
- (iii) The application is to allow for the provision of alcohol by both on and off sales. There is a large restaurant and lounge area for dining and provision of alcohol as well as outdoor areas where alcohol may be consumed.
- (iv) The activities sought would appear to be reasonable and appropriate for the proposed operation of the premises.
- (v) The children’s policy is considered suitable and is within the policy of the Highland Licensing Board.
- (vi) The layout plan submitted complies with the required specifications.
- (vii) There would not appear to be any matter contained within the application that is inconsistent with the licensing objectives.
- (viii) During the period of public consultation, no objections were received.
- (ix) I have no objection to this application.
