HIGHLAND COUNCIL

Committee: North Planning Applications Committee

Date: 26 April 2022

Report Title: Major Development Update

Report By: Area Planning Manager – North

Purpose/Executive Summary

This report provides an update on progress of all cases within the 'Major' development category currently with the Planning and Development Service for determination. The report also details progress on proposals submitted under S36 or S37 of the Electricity Act 1989 on which the Council is consulted.

Recommendation

Members are asked to note the current position of these applications.

1. Update on Progress

- 1.1 Appendix 1 and 2 contains a list of all applications for Major Development currently with the Service and awaiting determination. A brief update on the progress of these applications is provided, including a likely timescale for each case to be determined.
- 1.2 Appendix 3 provides a list of all significant Electricity Act applications. It should be noted that for many of these, the Council has already provided its response to Scottish Government. Only once Scottish Ministers determine these cases will they be removed from the list. From a performance point of view, the Council is not required to meet the same target timescales expected with planning applications.
- 1.3 Appendix 4 provides a list of all major scale planning permissions and Electricity Act consents issued within the last two years to provide members with an update on the status of these developments.
- 1.4 Details for any of these applications can be obtained through the Council's e-planning portal <http://wam.highland.gov.uk/wam> by entering the respective case reference number provided. The following abbreviations have been used in the appendices:
 - PCO – Pending Consideration
 - PDE – Pending Decision
 - S36RO – raised an objection to an application for energy generation under the Electricity Act
 - S36RNO – raised no objection to an application for energy generation under the Electricity Act
 - S37RO – raised an objection to an application for energy transmission under the Electricity Act
 - S37RNO – raised no objection to an application for energy transmission under the Electricity Act

2. Delegated Refusals of Major Applications and Current Appeals / Judicial Reviews Related to Major Applications

- 2.1 Since the Major Developments Update Report presented to the last North Planning Applications Committee, no major applications have been refused using delegated powers.
- 2.2 Following refusal of the following applications, appeals are currently in progress for the below major applications:
 - 19/01861/S36 - Kirkan Wind Farm - Construction of wind farm comprising of 17 turbines (height to hub 104m, height to blade tip 175m), associated access tracks, borrow pits, compounds, substation and 104m high met mast – A Reporter has been appointed to undertake a Public Local Inquiry following a Pre-Examination Meeting to be held in October 2021, and the Public Local Inquiry, which was to take place week commencing 10 January 2022, has been postponed due to illness. The Public Local Inquiry took place between 22 and 24 March 2022.

- 20/00180/FUL - Bad Fearn Wind Farm - Erection of 6 wind turbines with a maximum height to tip of 149.9m, and associated infrastructure – The Planning Authority have provided its response to the appeal. The Planning Authority responded to the Reporter’s procedure notice related to the weight to be afforded to draft NPF4 and other recently published energy policy documents in late 2021.
- 20/00645/FUL - Drum Hollistan 2 Wind Farm - Development of wind farm comprising 7 wind turbines with a maximum blade tip of 125M and associated infrastructure – The DPEA have advised that further oral procedures will be required prior to a recommendation being reached. A Pre-Examination Meeting took place on 23 May 2021 and a further Pre-Examination Meeting on 15 July 2021. The hearing sessions to consider visual impact and wild land impact likely taking place between 29 September and 1 October 2021. Evidence for the oral sessions at the appeal has now been submitted and it has been determined that the hearings will be held in person at the Weigh Inn, Thurso. The hearing session for Wild Land took place virtually on 16 December 2021. The Planning Authority responded to the Reporter’s procedure notice related to the weight to be afforded to draft NPF4 and other recently published energy policy documents in late 2021.
- 20/01905/S36 - Limekiln Extension Wind Farm - Erection and Operation of a Wind Farm for a period of 30 years, comprising of 5 Wind Turbines with a maximum blade tip height 149.9m, with access tracks, hardstanding areas, substation, battery storage facility, control building compound, borrow pits and cabling – A Public Local Inquiry for this took place between 15 and 18 June 2021. The Planning Authority responded to the Reporter’s procedure notice related to the weight to be afforded to draft NPF4 and other recently published energy policy documents in late 2021.
- 19/05624/FUL – Slickly Wind Farm - Slickly Wind Farm - 11 wind turbines up to 149.9m blade tip height and associated infrastructure – The applicant has recently appealed the refusal of the application and the Planning Authority have been asked for their response to the appeal mid-October. The Council have recently been invited to take part in the oral sessions to provide evidence to the Reporter. This Public Local Inquiry will take place on 4 and 5 May 2022.

For those cases under the Electricity Act 1989 where a Public Local Inquiry has been held and we are awaiting the decision of the Scottish Ministers the case will be listed in the appendix to this report only.

2.3 The Planning Authority are not currently subject to any applications to the Court of Session for Judicial Review of decisions on major applications.
