- 3.6 **Gaelic** – No implications.

4. Background

- 4.1 Cairngorm Mountain (Scotland) Ltd submitted a planning application, Cairngorm National Park Authority 2021/0112/DET, for the reconfiguration of the existing carpark and provision of infrastructure for overnight camper van facilities. The Transport Planning team of the Highland Council were consulted as part of the application and the Area Roads Team were approached for their view regarding the partial deletion of the adopted road, that would form the access for the reconfigured parking facility.
- 4.2 The proposal is to delete the section of the road that continues beyond its junction with the U3076 Ski Link Road. See attached adoption descriptions and plans available at **Appendix 1 & 2**. Officers are supportive of this request.
