5.0 Legislation

- 5.1 The Licensing Board must in considering and determining the application, consider whether any grounds of refusal apply and if none of them applies, the Board must grant the application.
- 5.2 Relevant grounds of refusal may be: -
 1. the grant of the application will be inconsistent with one or more of the licensing objectives;
 2. having regard to (i) the nature of the activities carried on or proposed to be carried on in the subject premises, (ii) the location, character and condition of the premises, and (iii) the persons likely to frequent the premises, the Board considers the premises are unsuitable for use for the sale of alcohol in accordance with the proposed variation;
 3. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.
- 5.3 For the purposes of the Act, the licensing objectives are-
 - (a) preventing crime and disorder,

- (b) securing public safety,
- (c) preventing public nuisance,
- (d) protecting and improving public health, and
- (e) protecting children and young persons from harm.

5.4 The Board only has power either to grant the application and make a variation of the conditions to which the licence is subject or to refuse the application.

5.5 If the Board refuses the application, the Board must specify the ground for refusal and if the ground for refusal relates to a licensing objective, the Board must specify the objective in question.

6.0 Licensing Standards Officer

6.1 The LSO has provided the following comments:-

The property known as Ardross Alness Bowling Club is an established Bowling Club on the outskirts of Alness, Easter Ross.

The premises have operated for a number of years as a Members Club with no adverse comment and are now hoping to extend their alcohol provision to include members of the public. There are no other changes applied for.

The activities sought would appear to be reasonable and appropriate for the proposed operation of the premises.

The Children's and Young Persons policy is appropriate.

The layout plan submitted complies with the required specifications.

There would not appear to be any matter contained within the application that is inconsistent with the licensing objectives.

During the period of public consultation, no objections were received.

I have no objection to this application.

7.0 HLB local policies

7.1 The following policies are relevant to the application:-

- (1) Highland Licensing Board Policy Statement 2018-23
- (2) Highland Licensing Board Equality Strategy

8.0 Conditions

8.1 Mandatory conditions

If the application is approved the mandatory conditions set out in Schedule 3 of the Act will apply.

8.2 Local conditions

Existing local conditions will continue to apply and it is recommended that the following additional local condition be attached:

Recommendation

The Board is invited to determine the above application and if minded to grant the application, to agree the proposed additional local condition detailed at para 8.2 above.

If the Board is minded to refuse the application, the Board must specify the ground for refusal and if the ground for refusal is in relation to a licensing objective, the Board must specify the objective in question.
