Tha seo a’ sònrachadh an seòrsa fiosrachaidh a tha a dhìth air a’ Bhòrd gus an urrainn dha coileanadh na Comhairle a mheasadh mu choinneamh Plana na Gàidhlig (PnG3) làithreach againn agus cuideachd mu choinneamh chomharran bun-dàta fo na cinn a leanas: Conaltradh dhan Phoball, Sgaoileadh Fiosrachaidh, Luchd-obrach, Foillseachaidhean, agus Inbhe.

National Gaelic Language Plan Priorities

Cleachdadh na Gàidhlig / Using Gaelic

Ciamar a tha a' bhuidhinn a' toirt fàs air cleachdadh na Gàidhlig?

How is the organisation increasing the use of Gaelic?

The following bullet points summaries how The Highland Council is increasing the use of Gaelic:

A series of support projects have been provided to schools to increase the use of Gaelic within different contexts.

- Schools delivering Gaelic as their L2 language are continuing to embed the language daily e.g. giving instructions during lessons with the pupils and during other school activities e.g. in the canteen, assemblies etc., as part of the 1+2 curriculum.
- Outdoor learning opportunities through Spòrs Gàidhlig were delivered to L2 pupils in Raasay,

Broadford and Portree primaries.

- Primary and Secondary teachers from across Highland were invited to attend drop-in sessions, led by Gaelic Education Officers, to discuss any issues and be kept up to date with any new developments associated with GME.
- Schools delivering Gaelic as their L3 language are expected to be implementing or embedding discreet language learning lessons and incorporate some commands and instructions into the daily routine this year.
- Schools delivering Gaelic as an L2 or an L3 can take part in the national GLEANS challenges, where they can enhance the pupils' learning by taking part in creating digital content showing Gaelic speaking with the language they have learnt.
- Schools not delivering Gaelic as an L2 or an L3 are also encouraged to participate in the GLEANS challenges as they are designed to be used by anyone with no prior Gaelic experience. It is hoped that this will also encourage further uptake in schools with Gaelic as an L3 across Highland.
- Some virtual visits continued to take place including the visits from Bodach na Nollaig where online visits to ELC took place involving 16 schools.
- FC Sonas held an online webinar in March 2022 colleagues provided Gaelic technical support through creating an online programme containing links to breakout rooms using Google Suite meets. They also assisted behind the scenes during the event by recording the discussions which could then be viewed by others later.

Fo Earrainn 15 de dh'Achd an Fhoghlaim (Alba) 2016, feumaidh ùghdarrasan ionadail aig a bheil foghlam Gàidhlig anns an sgìre aca seo a shanasachd ann an dòigh iomchaidh. Feumaidh gach ùghdarras ionadail sanasachd a dhèanamh air na còraichean a th' aig pàrantan gus tagradh a dhèanamh airson foghlam Gàidhlig aig ìre na bun-sgoile agus foghlam luchd-ionnsachaidh na Gàidhlig a stèidheachadh. Ciamar a tha sibh a' coileanadh an dleistanais seo?

Under Section 15 of the Education (Scotland) Act 2016, local authorities which already provide Gaelic education in their area must take reasonable steps to promote this. All local authorities must take reasonable steps to promote the rights which parents have under the Act to make a request for Gaelic Medium Primary Education and the potential provision of Gaelic Learner Education. Could you tell us how you are undertaking this?

Enrolment online portal has been updated with an improved catchment area map in line with ongoing work in catchment consultations. All parents enrolling in ELC are now signposted to the benefits of GME and where this is provided in Highland Council.

During enrolment weeks, Fàs Foghlaim video was promoted by the Gaelic Team via social media platforms.

Within the Highland Council area, there are currently 20 primary schools and 14 secondary schools offering GME. In line with the Statutory Guidance on Gaelic Education, Highland Council has been undertaking a programme of creating Gaelic Medium catchment areas for those locations in Highland that offer GME. The establishment of catchment areas is of course subject to statutory consultation under the Schools (Consultation) (Scotland) Act 2010. It has been necessary to stagger the exercise given the volume of GME provision in Highland, and the resource intensive nature of each exercise not just for Highland Council but also for Education Scotland. As at the date of writing, 13 GM catchments have been created for primary schools and 8 for secondary schools, with several other consultation exercises either underway or soon to start.

Recent changes have been made to specific Gaelic pages on The Highland Council website to bring it in line with recommendations from Bòrd na Gàidhlig. This includes hyperlinked contact details for Headteachers of GME settings. Links to other Gaelic organisations were also made as well as updated information on how to register your children for GME.

GME Primary and Secondary teachers were invited to attend drop-in sessions, led by THC Gaelic Education Officers. This gave an opportunity to share good news, discuss good practice and to ask any questions with other colleagues.

A Gàidhlig Secondary Support Group was set up, using TEAMS, for all Secondary colleagues within the Northern Alliance. Highland has had several teachers attending these sessions.

In partnership with the Care and Learning Alliance (CALA), the Gaelic Team worked to provide and support the Birth to Three sector across Highland. A music and play project, 'Ceol is Cluich', was delivered for parents and toddlers in groups across targeted areas.

Highland Council Education Officers are active members of the Northern Alliance, promoting GME and Gaelic training and resourcing as well as participating and supporting in working groups.

GME teachers have access to training and online networks to support moderation as part of a new partner project with Education Scotland to ensure quality benchmarking across GME schools.

Highland Council promotes leadership opportunities in GME committing to promoted posts such as Gaelic Principal Teacher posts and permanent contracts to attract applicants and provide stability to provisions. Support is also provided for relocation costs to encourage applicants to Highland.

Highland Council undertook statutory duties in relation to GMPE request in Applecross. Information for parents on how to request GME is now available on HC website -

Co-ionannachd Equalities

An do chomharraich an t-ùghdarras poblach agaibh cùisean sònraichte sam bith co-cheangailte ri co-ionannachd chothroman a thaobh leasachadh na Gàidhlig?
Has your public authority identified any particular issues relating to equality of opportunity with regard to the development of Gaelic language?

The Council has several strategic plans these include the following:

The Council Programme, The Corporate Plan, and the Council's Budget Strategy.

Within both **The Council Programme** and **The Corporate Plan** the high-level aims states that the Council takes cognisance of the following; - *'recognise the substantial social, cultural and economic benefits of Gaelic language and culture in the Highlands and continue to promote and support it through the third generation Gaelic Language Plan.'*

Gaelic development activities should be delivered in a non-discriminatory, inclusive manner and in ways that support the aim to advance equality of opportunity.

The Highland Council has a long-standing commitment to Gaelic Language and Cultural Development and continues to have equal respect for Gaelic, as demonstrated by the allocation of resources and published in the third iteration of our Gaelic Language Plan.

We recognise and welcome the contribution of Gaelic to the broad educational, social, cultural, and economic value and wellbeing of the Highlands which in turn providing opportunities to tackle inequality, encourage community development and an inclusive, welcoming cultural identity.

A bheil poileasaidhean, modhan-obrach no dòighean-obrach sam bith co-cheangailte ri co-ionannachd a chaidh a chur an gnìomh leis an ùghdarras phoblach agaibh, no a tha gan cur an gnìomh an-dràsta, a bhuineas ri bhith a' cur co-ionannachd chothroman air adhart an lùib leasachadh na Gàidhlig? An inns sibh dhuinn mun deidhinn?

Are there any equalities policies, procedures or measures that have been implemented by your public authority, or are in the process of being implemented, that are relevant to advancing the equality of opportunity in the development of Gaelic language? Can you tell us about them?

All Highland Council Committee Papers include an implications section, where impacts relating to the following headings are recorded: **Resources, Legal, Community (Equalities, Poverty, Rural/Islands) Climate Change/ Carbon Clever, Risk, Gaelic.**

The following is an example and an extract from a Tourism Committee Report:

Gaelic - *'There are no Gaelic implications arising directly from this report. However, in keeping with agreed Council policy there would be a Gaelic element to projects subsequently undertaken because of being identified in this plan.'*

A bheil eisimpleirean ann de cheumannan sònraichte a ghabh sibh gus piseach a thoirt air in-ghabhail agus com-pàirteachas a tha air obrachadh gu sònraichte math a thaobh leasachadh na Gàidhlig taobh a-staigh an ùghdarrais phoblaich agaibh? An inns sibh dhuinn nam biodh sibh toilichte nan sgaoileadh Bòrd na Gàidhlig na h-eisimpleirean agaibh agus nan dèanamaid sanasachd orra.

Are there examples of implementing specific measures to improve inclusivity or engagement that have worked particularly well regarding Gaelic language development for your public authority? Please indicate if you would be happy for Bòrd na Gàidhlig to share and promote the examples provided.

Highland Council's Gaelic Language Plan: Review and Renewal

I hope that you and your colleagues are well.

Following on from the letter I sent to you on 29th March 2022 regarding the renewal of your Gaelic language plan, I would like to organise a meeting with you to discuss the next edition of your Gaelic language plan.

In the letter, I referred to strategic priorities. Bòrd na Gàidhlig has created a draft of these for The Highland Council. The agreement of these will be a collaborative process between our two organisations. I would like to discuss this draft, as attached, at our meeting.

To simplify the language planning process, Bòrd na Gàidhlig has developed a set of national corporate service aims. These are based on our experience of approved Gaelic language plans to date and these are attached for information.

Our Planning Manager, Christie MacLean – christie@gaidhlig.scot, will be happy to arrange a meeting. We would like to organise an hour-long meeting and it

dhuibh roghainn de dh'amannan a thoirt dhuinn a bhiodh freagarrach dhuibhse.

Prìomhachasan ro-innleachdail: Plana Gàidhlig Comhairle na Gàidhealtachd | **Strategic Priorities: The Highland Council Gaelic Language Plan**

Tha Bòrd na Gàidhlig airson taic a bharrachd a thoirt do Ùghdarrasan Poblach a tha ag uallachadh nam Planaichean Gàidhlig aca le bhith ag obrachadh còmhla riutha gus prìomhachasan ro-innleachdail aontachadh airson na planaichean as fheàrr a chruthachadh gus fàs a thoirt air cleachdadh na Gàidhlig, ionnsachadh na Gàidhlig agus airson cur ri deagh ìomhaigh na Gàidhlig.

Tha sinn air seata de phrìomhachasan ro-innleachdail uallachadh gu h-ìosal airson Comhairle na Gàidhealtachd agus bu mhath leinn co-obrachadh orra airson an gabhail a-steach anns a' phlana Ghàidhlig agaibh.

Bòrd na Gàidhlig seeks to provide further support to public authorities who are preparing Gaelic language plans by working together to agree overall strategic priorities for the development of their respective plans to further growth of the use of Gaelic, the learning of Gaelic and to promote a positive image of the language.

We have prepared a draft set of strategic priorities below for the Highland Council and we seek to work collaboratively to agree these for inclusion in your Gaelic Language Plan.
