**THE HIGHLAND COUNCIL**

**Committee:** THE HIGHLAND LICENSING COMMITTEE

**Date:** 10 January 2023

**Report title:** Application for the grant of a second hand vehicle dealers licence – 61 Glenurquhart Road, Inverness (Ward 13 – Inverness West)

**Report by:** Principal Solicitor – Regulatory Services

**1. Purpose/Executive Summary**

**1.1** This report relates to an application for the grant of a second hand vehicle dealers licence.

**2. Recommendation**

**2.1** Members are asked to determine the application in accordance with the Council's hearing procedure.

### 3. Background

3.1 On 14 September 2022 an application for the grant of a second hand vehicle dealers licence was received from Rebecca Yorston in respect of Ness Car Sales 61 Glenurquhart Road, Inverness, IV3 5PB.

3.2 In terms of the Civic Government (Scotland) Act 1982 (the Act) the Licensing Authority have 12 months (due to temporary amendments to the legislation during the coronavirus period) from receipt of the application to determine the same, therefore this application must be determined by 13 September 2023. Failure to determine the application by this time would result in the application being subject of a 'deemed grant' which means that a licence would require to be issued for a period of 1 year.

### 4. Process

4.1 Following receipt of the application a copy was circulated to the following Agencies/Services for consultation:

- Police Scotland
- Scottish Fire and Rescue Service
- Highland Council Trading Standards Service
- Highland Council Building Standards Service
- Highland Council Planning Service

4.2 All of the above Agencies/Services, other than the Planning Service, have confirmed that they have no objections to the licence being issued.

### 5. Objection

5.1 The Council's Planning Service have submitted an objection dated 10 October 2022 in relation to the application on the basis that the planning consent is required for the operation of the business at this address. A copy of the Planning Service objection is attached as **Appendix 1**.

### 6. Determining issues

6.1 Paragraph 5(3) of Schedule 1 of the Act states that a licensing authority may refuse an application to grant or renew a licence where:

- (a) the applicant or anyone else detailed on the application is not a fit and proper person;
- (b) the activity would be carried out by a person other than the applicant who, if he had made the application himself, would have been refused;
- (c) where the licence applied for relates to an activity consisting of or including the use of premises or a vehicle or vessel, those premises are not or, as the case may be, that vehicle or vessel is not suitable or convenient for the conduct of the activity having regard to
  - (i) the location, character or condition of premises or the character or condition of the vehicle or vessel,
  - (ii) the nature and extent of the proposed activity,
  - (iii) the kind of persons likely to be in the premises, vehicle or vessel,
  - (iv) the possibility of undue public nuisance, or
  - (v) public order or public safety; or

(d) there is other good reason for refusing the application.

Hi,

I have to object to this Licence as it requires planning permission and there is no permission for this operation. I have emailed the applicant to confirm this and offer the informal opinion that it is unlikely to be granted.
