5.0 Legislation

- 5.1 The Licensing Board must in considering and determining the application, consider whether any grounds of refusal apply and if none of them applies, the Board must grant the application.
- 5.2 Relevant grounds of refusal may be: -
 1. the grant of the application will be inconsistent with one or more of the licensing objectives;
 2. having regard to (i) the nature of the activities carried on or proposed to be carried on in the subject premises, (ii) the location, character and condition of the premises, and (iii) the persons likely to frequent the premises, the

Board considers the premises are unsuitable for use for the sale of alcohol in accordance with the proposed variation;

3. that the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of the same or similar description as the subject premises, in the locality.

5.3 For the purposes of the Act, the licensing objectives are-

6.0 Licensing Standards Officer

6.1 The LSO has provided the following comments:-

- 1) The property known as The Fishertown Inn is a long established licensed premises previously known as the Cromarty Arms.
- 2) The premises offers on sales and off sales, but primarily is a restaurant/bistro type property. The variation application seeks to extend activities on the premises and change the description of the premises to reflect the change to alcohol offering to be mainly but not solely as ancillary to food. There is also a change to the Children and Young Persons policy.
- 3) The premises have operated for many years without adverse comment.
- 4) The activities sought would appear to be reasonable and appropriate for the proposed operation of the premises.
- 5) The Children's and Young Persons policy is appropriate.
- 6) The layout plan submitted complies with the required specifications.
- 7) There would not appear to be any matter contained within the application that is inconsistent with the licensing objectives.
- 8) During the period of public consultation, no objections were received.

9) I have no objection to this application.
